Why Hire the Kia Carnival XL with a Driver?

The Carnival XL is one of the most practical 7-seater cars with a driver in Riyadh. It pairs the easy access of power sliding doors with a roomy, lounge-style cabin, generous luggage space, and a quiet, refined ride — ideal for airport runs, family outings, Umrah group travel, and business transfers. Instead of splitting your group across two taxis, everyone rides together in one spacious family van with a driver in KSA.
